25 July 2025

Hello Metro South West Community,

I don't know if you heard anything about Area Development and Clinics outlined in Area Website, under Development.

Here is the information I would like to pass on to you as MSW Development Team is working hard to have the Clinics in the remaining 2025 Winter season.

CLINIC #1 was held on the afternoon of 22 June at Mounties Club for the **Novice Squad**, 7 and 8 Years Old. An introduction into the pathways of the Area's Development plans.

The Development Committee is scrutinizing all individual results, from the selected Meets as outlined in the Development Plan, to select National, Junior and Senior Target, Achiever Squads.

The main Priority: all Swimmers must have competed at any Metro South Championships (Long or Short Course or Open Water) to be considered for the Squads planned.

The selections are in the final stages of ratification, so please, keep looking in your emails or the Area Website or MSW Stack Team App for your notification of selection.
